Within a short period of time, Paul was able to declare that I have fully preached the gospel among the Gentiles where Christ had not been named and there are no more places left for me to preach. Romans 15:19-23

During the same period, the saints at Jerusalem were able to declare that there are myriads (Greek version) of Jews who have become followers of Christ. One myriad consists of ten thousand people. Acts 21:20

Global pilgrims, who came to celebrate the Passover and fifty days later the Pentecost; and had witnessed the crucifixion, the resurrection, the descent of the Holy Spirit, the baptisms of 3000 and the birth of the first church, went back and proclaimed the gospel to every nation under the sun within months if not within weeks.

All these people were self-supporting petty businessmen and craftsmen who preached, disciplined, planted churches and changed the face of the earth forever.

Today there are millions of committed Christian professionals and businessmen who would like to do something to expand the kingdom of God but do not know how to?

There are trillions of dollars of Christian money in the banks that is being used for secular (Godless) purposes that could be harnessed for apostolic agenda of the church.

This Summit is not about rags to riches story but the objective is to mobilize the whole Body of Christ so that the kingdoms of this world can become the kingdoms of our Lord and His Christ. It is about how to seamlessly merge your profession and business with the Great Commission of God, which is to make disciples of all nations, baptize and equip them and then send them out to do the same to the ends of the earth.

Who is invited:

There are also sessions on how to manage and multiply your money. Stuart Gramez of Australia will also be a resource person in the pre-summit sessions.

Summit:

These sessions produce clear vision and provide a road map to translate that vision into reality. Different models will be presented to bring clear understanding of the challenges that lie ahead. Beginning with the market/workplace as the launching pad, the objective is to fill the earth with the glory of the knowledge of the Lord as the waters cover the sea (Habakkuk 2:14).
