

Dear friend,

### **Invitation to Join South Pacific Transformation Gathering**

Greetings in Jesus' name! We are writing to invite you to the inaugural South Pacific Transformation Gathering. It is being held at Merroo Conference Centre in Kurrajong north west of Sydney from August 13 to 15.

We believe God has called you as a transformation leader and hence this personal invitation to partner together. The theme of the gathering is "Transformation from a heart of Devotion".

First and foremost we recognise that transformation is about who God is and what he seeks to do through us rather than about our own efforts. We recognize that building a movement of transformation requires growth in our understanding of God's purposes, a deepening in our love for each other, and a strengthening in our unity with one another. In addition we must not be inward focused but lend our heart and hands to the needs of people and nations around us.

We believe that this is an appointed time and a preparation for turbulent times ahead. Could this be a season of advancement of the kingdom?

For this occasion we will have a special focus on strategic challenges facing the church today such as Ideological/Islam, Justice, Family, Orphan/Poverty, Christ's Missional & Celebration/prayer-house), spheres of influence (Arts, Business, Church, Education, Family, Healthcare, Media & Government) and generations (Gen Y and 4-14 window).

Practically this gathering will focus on devotion, networking and strategy as its three themes and will involve extensive interaction between delegates as well as times of prayer and worship. This is not a conference. The site has a 24/7 prayer centre and we will be seeking to have teams undertaking continuous prayer and worship for the duration of the gathering.

We continue to look to the Lord Jesus Christ to lead and guide us.

Participant costs for the conference including food and accommodation will be in the range of AUD250/300 per person depending on option chosen. Scholarships are available for delegates from countries apart from Australia and New Zealand. Transportation costs are additional.
